

PIONEER
INITIATIVE

RELEASE YOUR ADVENTUROUS SPIRIT!

*Ready to venture into the unknown?
Ready to be formed by God through
wilderness, teamwork and adventure?*

Join us in West Virginia, USA, in July 2027 for nine months of training before embarking on two years of intentional living and service in a challenging cross-cultural setting.

World Horizons is an intergenerational and culturally diverse international movement. Together in teams, we seek to share the gospel with people who have never heard it and in areas where there is little or no active church presence. We serve in a wide variety of contexts, from major cities and urban neighbourhoods to some of the world's most remote, challenging, and sometimes dangerous regions.

The Pioneer Initiative sends teams to new frontiers, where they live in community among people who have never heard of Jesus and seek creative ways to make him known.

The nine months of comprehensive, intensive, team-building consists of both highly practical preparation and essential mission-based studies. You can be sure spirit, body and mind will be well prepared to venture out into even the toughest environments.

If you're interested in taking part, we'd love to hear from you. Please get in touch to register your interest and stay updated as details are announced.
